

Emil is tidying up his bedroom. It has to be really clean as tonight is a big night. He's having a pyjama party. For the first time, Nicolay is going to sleep at Emil's.

— Mum, will you tell us a really scary story tonight? asks Emil.

— Why do you want such a story?

— Because Nicolay keeps saying that he's afraid of nothing and I want to know whether it's true or not as I'm not afraid of anything myself.

— Are you sure my dearest?

— Of course! So will you help me to try and scare Nicolay?

— Maybe!

Emil isn't very pleased with his mum's answer.
